

Fun Day Set for San Diego

Conventions are held primarily to conduct the business of an organization but at the same time, and equally as important, are the social activities that are held in conjunction with a convention.

The schedule of business and board meetings will be listed in detail in a later issue of *The Numismatist*, therefore this issue is devoted to the "fun" side of the convention week so that you may make your decisions prior to arriving in San Diego. Decide now what you want to do while in San Diego!

Space will be limited on some of these tours, so you are urged to pre-register and reserve those events of your choice. In this way, you will be assured of a ticket when you get here. . . .

Pre-registration cards will be forwarded upon request from:

Dorothy C. Baber P.O. Box 132 El Cajon, Calif. 92022
